Xafinity plc

Notice of Annual General Meeting

12.00pm, 14 September 2017

Letter from the Chairman

14 July 2017

Dear Shareholder,

Annual General Meeting of Xafinity plc

On behalf of the Directors of Xafinity plc (together the 'Directors'), I am pleased to invite you to attend the first Annual General Meeting ('AGM') of Xafinity plc (the 'Company') which will be held in the Windsor Room at Phoenix House, 1 Station Hill, Reading, Berkshire RG1 1NB on Thursday 14 September 2017 at 12.00pm.

The formal Notice of AGM is set out on the following pages of this document, detailing the resolutions that the shareholders are being asked to vote on together with explanatory notes of the business to be conducted at the AGM. The AGM provides shareholders with an opportunity to communicate with the Directors and we would welcome your participation.

Voting

Voting on the business of the meeting will be conducted by way of a poll. The results of voting on the Resolutions will be posted on the Company's website as soon as practicable after the AGM.

Whether or not shareholders propose to attend the AGM, it is important that they complete, sign and return a Proxy Form or vote electronically as set out below. Shareholders should return the Proxy Form to the reply paid address shown on the Proxy Form or, for personal delivery, to Equiniti at Aspect House, Spencer Road, Lancing BN99 6DA. Alternatively shareholders may give their instructions electronically via the registrar's website: www.sharevote.co.uk using the unique voting reference numbers printed on the Form of Proxy. If their shares are held in CREST, they may if preferred give instructions electronically via CREST as detailed in the notes to the Notice of AGM on page 7. To be valid, the Proxy Form must be lodged with the Company's registrars by not later than 12.00pm on Tuesday 12 September 2017.

The completion and return of a Proxy Form in hard copy or voting electronically will not prevent you from attending and voting at the AGM in person if you wish. If I am appointed as proxy I will vote in accordance with any instructions given to me. If I am given discretion as to how to vote, I will vote in favour of each of the resolutions to be proposed at the AGM.

Shareholder communications

The Companies Act 2006 (the 'Act') prescribes the methods by which a company is permitted to communicate with its shareholders and the Company's Articles of Association include provisions allowing the Company to use its website to publish certain statutory documents and communications. Accordingly, this Notice of AGM and the Annual Report and Accounts are published on our website www.xafinity.com.

Reducing the number and volume of communications sent by post not only results in cost savings for the Company, but also reduces the impact that the printing and distribution of documents has on the environment. In accordance with the Act, we have included with this notice of meeting a separate letter confirming that, unless you specifically request to receive hard copy documents, in the future you will instead be notified each time that the Company places a statutory communication on its website. This notification will be sent to you by post, but will be a brief explanatory notification rather than the full statutory communication.

Recommendation

The Directors believe that the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all the resolutions to be proposed at the AGM. The Directors who own ordinary shares in the Company intend to vote in favour of the resolutions to be proposed at the AGM.

I look forward to seeing you at the AGM.

Yours faithfully,

Tom Cross Brown
Chairman

NOTICE IS HEREBY GIVEN that the ANNUAL GENERAL MEETING of Xafinity plc (the 'Company') will be held in the Windsor Room at Phoenix House, 1 Station Hill, Reading, Berkshire RG1 1NB on Thursday 14 September 2017 at 12.00pm to consider and, if thought appropriate, pass the following resolutions of which Resolutions 1 to 14 will be proposed as ordinary resolutions and Resolutions 15 to 18 will be proposed as special resolutions.

14. To generally and unconditionally authorise the Directors pursuant to and in accordance with Section 551 of the Companies Act 2006 (the '2006 Act') to exercise all the powers of the Company to allot shares or grant rights to subscribe for or to convert any security into shares of the Company:
 - (A) up to an aggregate nominal amount of £22,816.04; and
 - (B) comprising equity securities (as defined in Section 560(1) of the 2006 Act) up to a further aggregate nominal amount of £22,816.04 in connection with an offer by way of a rights issue;

such authorities to apply in substitution for all previous authorities pursuant to Section 551 of the 2006 Act and to expire at the end of the next Annual General Meeting or on 30 September 2018, whichever is the earlier, but in each case so that the Company may make offers and enter into agreements during the relevant period which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority ends.

For the purposes of this Resolution, 'rights issue' means an offer to:

- (i) ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (ii) holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of (or the requirements of any regulatory body or stock exchange in), any territory.

Special Resolutions: Disapplication of pre-emption rights

15. That if Resolution 14 is passed, the Directors be authorised to allot equity securities (as defined in Section 560 of the Companies Act 2006 (the '2006 Act')) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if Section 561 of the 2006 Act did not apply to any such allotment or sale, such authority to be limited:
 - (A) to the allotment of equity securities or sale of treasury shares in connection with or pursuant to an offer of or invitation to acquire equity securities (but in the case of the authority granted under Resolution 14(B) by way of a rights issue (as defined in that Resolution) only) in favour of holders of ordinary shares in proportion (as nearly as practicable) to the respective number of ordinary shares held by them on the record date for such allotment or sale (and holders of any other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities) but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of (or the requirements of any regulatory body or stock exchange in), any territory; and
 - (B) to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (A) above) up to an aggregate nominal value of £3,422.41, being approximately 5% of the issued ordinary share capital as at 7 July 2017;

such authority to expire at the end of the next AGM of the Company or, if earlier, at the close of business on 30 September 2018 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

16. That if Resolution 14 is passed, the Directors be authorised in addition to any authority granted under Resolution 15 to allot equity securities (as defined in Section 560 of the Companies Act 2006) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if Section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be:
 - (A) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £3,422.41, being approximately 5% of the issued ordinary share capital as at 7 July 2017; and

- (B) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice, such authority to expire at the end of the next AGM of the Company or, if earlier, at the close of business on 30 September 2018 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

Authority to purchase own shares

- (A) the maximum number of ordinary shares which may be purchased is 13,689,624;
- (B) the minimum price which may be paid for each ordinary share is £0.0005 (being the nominal value of an ordinary share);
- (C) the maximum price which may be paid for an ordinary share is an amount equal to the higher of (i) 105 per cent. of the average of the closing price of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading System;
- (D) this authority shall expire at the conclusion of the Company's next Annual General Meeting or, if earlier, 30 September 2018 (except in relation to the purchase of ordinary shares the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry) unless such authority is renewed prior to such time.

Notice of general meetings

18. To authorise the Directors to call a general meeting other than an annual general meeting on not less than 14 clear days' notice.

Explanatory Notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed AGM Resolutions.

Resolutions 1 to 14 are proposed as ordinary resolutions. For each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15 to 18 are proposed as special resolutions. For each of these resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1: Report and Accounts

The first item of business is the receipt by the shareholders of the Directors' report and accounts of the Company for the year ended 31 March 2017. The Directors' report, the accounts and the report of the Company's auditors on the accounts and on those parts of the Directors' Remuneration Report that are capable of being audited are contained within the Annual Report.

Resolution 2: Declaration of Dividend

Resolution 2 deals with the recommendation of the Directors that a final dividend of 0.73 pence per ordinary share be paid. If approved, it is intended that the dividend will be paid to ordinary shareholders on 28 September 2017 that were on the register at the close of business on 1 September 2017.

Resolution 3: Annual Remuneration Report

This resolution seeks shareholder approval of the Directors' Remuneration Report (excluding the Directors' Remuneration Policy) for the year ended 31 March 2017 as set out on pages 43 to 47 of the Annual Report. The Company's auditors, BDO LLP, have audited those parts of the Directors' Remuneration Report that are required to be audited and their report may be found on pages 53 to 56 of the Annual Report.

This resolution is subject to an 'advisory vote' by shareholders. In the event that the resolution is not passed, the Directors' Remuneration Policy would normally need to be reconsidered by shareholders at the next AGM. As this is the first occasion that the Company has been required to submit its Directors' Remuneration Policy for shareholder approval, the approval of the new policy (per resolution 4 below) would remain in force notwithstanding any failure to pass this resolution.

Resolution 4: Directors' Remuneration Policy

The Directors' Remuneration Policy is contained in the Directors' Remuneration Report and can be found on pages 37 to 43 of the Annual Report. It sets out the policy of the Company with respect to the making of remuneration payments and payments for loss of office to the Directors. Under Section 439A of the Companies Act 2006, there must be a binding shareholder vote on the Directors' Remuneration Policy at least once every three years (unless the Directors wish to change the policy within that three year period). Therefore, this resolution 4 seeks shareholder approval of the Directors' Remuneration Policy which, if passed, will take effect at the conclusion of the meeting. Once effective, all future payments to Directors, past and present, must normally comply with the terms of the policy, unless specifically approved by shareholders in a general meeting.

Resolutions 5 to 11: Election of Directors

In accordance with the Company's Articles of Association all directors of the Company, having not previously been elected by shareholders, are required to submit themselves for election by shareholders. Separate Resolutions are proposed for each of these elections.

Biographical details of each of the Directors who are seeking election appear on page 8 of this document. The Board believes that each Director standing for election brings considerable and wide ranging skills and experience to the Board as a whole and continues to make an effective and valuable contribution to the deliberations of the Board. Each individual proposed for election has continued to perform effectively and demonstrate commitment to their role.

The Board reviews the independence of its Directors on an annual basis. In considering the independence of the independent non-executive Directors proposed for election, the Board has taken into consideration the guidance provided by the UK Corporate Governance Code. Accordingly, the Board considers Alan Bannatyne and Margaret Snowdon OBE to be independent in accordance with Provision B.1.1 of the UK Corporate Governance Code.

It is the intention of the Board that all Directors will submit themselves for annual re-election by shareholders in accordance with provision B.7.1 of the UK Corporate Governance Code.

Resolution 12: Re-appointment of Auditors

The auditors of a company must be appointed or re-appointed at each general meeting at which accounts are laid. Resolution 12 proposes, on the recommendation of the Audit and Risk Committee, the appointment of BDO LLP as the Company's auditors until the conclusion of the next general meeting of the Company at which accounts are laid.

Resolution 13: Remuneration of Auditors

This resolution seeks shareholder consent for the Audit and Risk Committee of the Company to set the remuneration of the Auditors.

Resolution 14: Directors' authority to allot

The purpose of Resolution 14 is to renew the Directors' power to allot shares. The authority in paragraph (A) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) which as at 7 July 2017, being the latest practicable date prior to publication of this notice of meeting, is equivalent to a nominal value of £22,816.04.

The authority in paragraph (B) will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal value of £22,816.40, which is equivalent to approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 7 July 2017. The Company currently holds no shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares other than in connection with employee share incentive plans. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

If the Resolution is passed the authority will expire on the earlier of 30 September 2018 and the end of the Annual General Meeting in 2018.

Resolutions 15 and 16: Disapplication of pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

Resolution 15 deals with the authority of the Directors to allot new shares or other equity securities pursuant to the authority given by Resolution 14, or sell treasury shares, for cash without the shares or other equity securities first being offered to shareholders in proportion to their existing holdings.

Such authority shall only be used in connection with a pre-emptive offer, or otherwise, up to an aggregate nominal amount of £3,422.41, being approximately 5% of the total issued ordinary share capital of the Company as at 7 July 2017. As at 7 July 2017 the Company holds no treasury shares.

The Pre-emption Group Statement of Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group, Resolution 16 seeks to authorise the Directors to allot new shares and other equity securities pursuant to the authority given by Resolution 14, or sell treasury shares, for cash up to a further nominal amount of £3,422.41, being approximately 5% of the total issued ordinary share capital of the Company as at 7 July 2017, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in Resolution 16 is used, the Company will publish details of the placing in its next annual report.

If these resolutions are passed, the authorities will expire at the end of the next AGM or on 30 September 2018, whichever is the earlier.

The Board considers the authorities in Resolutions 15 and 16 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period other than (i) after prior consultation with shareholders or (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Resolution 17: Purchase of own shares

The effect of Resolution 17 is to renew the authority granted to the Company to purchase its own ordinary shares, up to a maximum of 13,689,624 ordinary shares, until the Annual General Meeting in 2018 or 30 September 2018, whichever is the earlier. This represents 10% of the ordinary shares in issue as at 7 July 2017 (excluding any treasury shares held by the Company), being the latest practicable date prior to the publication of this notice. The Company currently holds no shares in treasury. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable (the upper limit being the price stipulated in Commission Delegated Regulation (EU) 2016/1052 as referred to in Article 5(6) of the EU Market Abuse Regulation) and the Listing Rules.

Pursuant to the Companies Act 2006, the Company can hold any shares which are repurchased as treasury shares and either re-sell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future and will provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently re-sold or transferred out of treasury).

The Directors consider it desirable and in the Company's interests for shareholders to grant this authority. The Directors have no present intention to exercise this authority, and will only do so if and when conditions are favourable with a view to enhancing net asset value per share.

The Company will not, save in accordance with a predetermined, irrevocable and non-discretionary programme, repurchase shares in the close period immediately preceding the preliminary announcement of its annual or interim results as dictated by the Listing Rules or Market Abuse Regulation or, if shorter, between the end of the financial period concerned and the time of a relevant announcement or, except in accordance with the Listing Rules and the Market Abuse Regulation, at any other time when the Directors would be prohibited from dealing in shares.

As at 7 July 2017, being the latest practicable date prior to publication of this notice, there were 895,680 options outstanding over the Company's ordinary shares (pursuant to the Company's Performance Share Plan) representing 0.654% of the issued share capital of the Company (which would represent 0.727% of the issued share capital of the Company if the full authority granted by Resolution 17 was exercised) and the Company did not hold any treasury shares.

Resolution 18: Notice of general meetings

Under the Companies Act 2006, as amended, the notice period required for all general meetings of the Company is 21 clear days, though shareholders can approve a shorter notice period for general meetings that are not annual general meetings, which cannot however be less than 14 clear days. Annual general meetings will continue to be held on at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine for other general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. In the event that a general meeting is called on less than 21 clear days' notice, the Company will meet the requirements for electronic voting under The Companies (Shareholders' Rights) Regulations 2009. Shareholder approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Further Notes

1. A shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote at the AGM. A proxy need not be a shareholder of the Company.
2. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the shareholder may result in the proxy appointment being invalid. A proxy may only be appointed in accordance with the procedures set out in this note 2 and notes 3 and 4 below and the notes to the Proxy Form.

The appointment of a proxy will not preclude a shareholder from attending and voting in person at the AGM.
3. A Proxy Form is enclosed. When appointing more than one proxy, complete a separate Proxy Form in relation to each appointment. The Proxy Form may be photocopied or additional Proxy Forms may be obtained by contacting the Company's Registrar, Equiniti, on 0371 384 2030. If you are outside the United Kingdom please call +44 121 415 7047. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 8.30am and 5.30pm Monday to Friday, excluding public holidays in England and Wales. State clearly on each Proxy Form the number of shares in relation to which the proxy is appointed. To be valid, a Proxy Form must be received by post or (during normal business hours only) by hand at the offices of the Company's Registrar, Equiniti, at Aspect House, Spencer Road, Lancing BN99 6DA, no later than 12.00pm on Tuesday 12 September 2017 (or, if the AGM is adjourned, no later than 48 hours before the time of any adjourned meeting).
4. As an alternative to completing the hard copy Proxy Form, a shareholder may appoint a proxy or proxies electronically by visiting www.sharevote.co.uk. Shareholders will need to enter their unique voting reference number as printed on the Proxy Form and agree to certain terms and conditions. For an electronic proxy appointment to be valid, the appointment must be received by Equiniti at Aspect House, Spencer Road, Lancing BN99 6DA, no later than 12.00pm on Tuesday 12 September 2017 (or, if the AGM is adjourned, no later than 48 hours before the time of any adjourned meeting).
5. In the case of joint holders of a share the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the order in which the names appear in the register of members in respect of the share.
6. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
7. Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares (exclusive of treasury shares) in the Company on 7 July 2017, which is the latest practicable date before the publication of this document, is 136,896,244 carrying one vote each on a poll. Therefore, the total number of votes exercisable as at 7 July 2017 is 136,896,244.
8. Entitlement to attend and vote at the AGM, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members as at close of business on Tuesday 12 September 2017 or, if the meeting is adjourned, close of business on the day which is two business days' prior to the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
10. Shareholders meeting the threshold requirements set out in Section 527 of the Companies Act 2006 have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM for the financial year ended 31 March 2017; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year ended 31 March 2017 ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
11. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
12. A copy of this notice and other information required by Section 311A of the Companies Act 2006 can be found at www.xafinity.com.
13. Each of the Resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

14. Members may not use any electronic address provided in either this notice of meeting or any related documents (including the enclosed form of proxy) to communicate with the Company for any purposes other than those expressly stated.
 15. Copies of the executive Directors' service contracts and letters of appointment of the Non-Executive Directors may be inspected during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) at the registered office of the Company at Phoenix House, 1 Station Hill, Reading, Berkshire RG1 1NB.
 16. Except as provided above, shareholders who have general queries about the AGM should either call the Registrar's helpline on 0371 384 2030. If you are outside the United Kingdom please call +44 121 415 7047. Calls outside the United Kingdom will be charged at the applicable international rate.
